Sorry about this - I think this is the full document this time.

I just joined the call but can only stay on until 9:30.

All:

See Lora's email and attached.....

I had to get off yesterday's call early. I guess we have a 9 am call today.... I just got buzzed on my Blackberry.

Jack, could you share with the full 9 am group?

Are we talking today? I have a request to pass along from my HQ/the state related to analytical for PPH.

This apparently is the corrected MSDS for the other material.

Lora
